

# Freelance Web Design Services Agreement

Between Northwind Labs (the Client) and the Contractor — Project Atlas

## 1. Scope of Work

The Contractor will design and deliver a complete redesign of the Client's marketing website, known internally as **Project Atlas**. Deliverables include a homepage, an about page, a pricing page, and a reusable component library. Two rounds of design revisions are included in the base fee.

## 2. Timeline

Work begins on the kickoff date agreed by both parties. The delivery schedule and any changes to scope are tracked separately in the project notes and are subject to written agreement between the parties.

## 3. Fees

The total fixed fee for the work described in Section 1 is **\$4,500 USD**. This fee covers all deliverables and the two included revision rounds. Any additional pages, features, or revision rounds beyond those listed will be quoted separately and billed at \$95 per hour.

## 4. Payment Schedule

A deposit of 50% of the total fee (**\$2,250 USD**) is due before work begins. The remaining 50% (**\$2,250 USD**) is due on final delivery of the completed website. All invoices are payable **net-15** (within fifteen days of the invoice date).

## **5. Intellectual Property**

Upon receipt of full payment, all rights, title, and ownership of the final delivered designs transfer to the Client. The Contractor retains the right to display the completed work in a personal portfolio unless the Client requests otherwise in writing.

## **6. Confidentiality**

Both parties agree to keep non-public information shared during the project confidential, including unreleased product details, pricing, and internal materials.

## **7. Cancellation**

Either party may cancel this agreement with seven days' written notice. If the Client cancels after work has begun, the deposit is non-refundable and any work completed beyond the deposit will be invoiced at the hourly rate.

## **8. Point of Contact**

The Client's primary point of contact for Project Atlas is Sarah, Northwind Labs' project lead. All approvals and scope changes must be confirmed by the point of contact in writing (email is acceptable).
